# A LEADER IN LIGHTING SINCE 1946

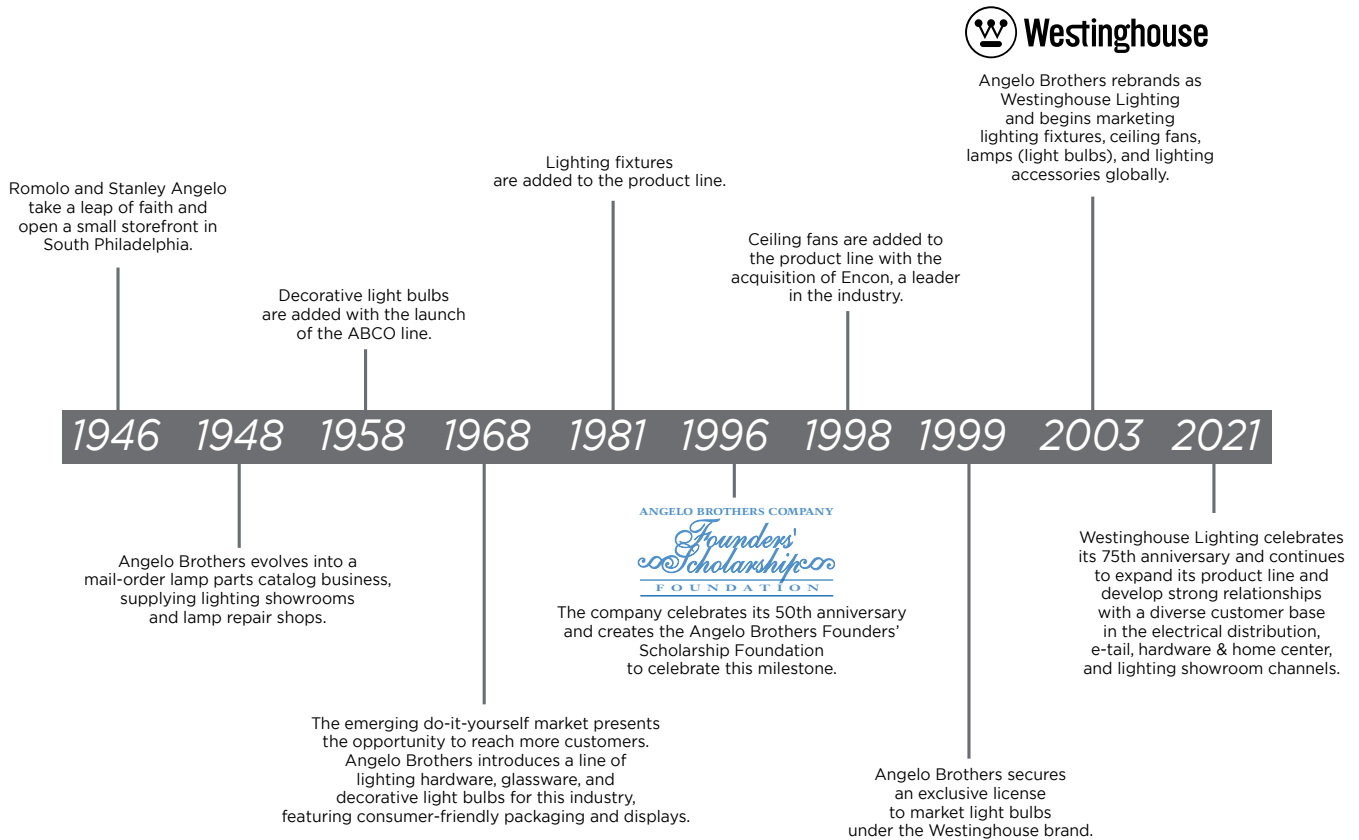

It all started in 1946 with two brothers and a small corner store in South Philadelphia. From this humble beginning, Angelo Brothers evolved into Westinghouse Lighting and the industry leader that we are today.

For over 75 years, our customers have always been our top priority. While our company has grown in both size and scope, we have remained committed to our core values of customer service, quality products, and sustainability.

Our Founders: Romolo & Stanley Angelo

We are proud to be one of the few privately held, multi-generational family businesses in the lighting manufacturing industry. Our team combines generations of experience with exceptional industry knowledge. As the only global lighting company to carry a complete line of lighting fixtures, ceiling fans, lamps, and lighting accessories, we are well-positioned to suit the ever-evolving needs of our residential and commercial customers alike.

# WHAT SETS US APART

## DEDICATION TO CUSTOMER SERVICE

Our team strives to deliver the best customer experience every time. Our ability to consistently provide quality products, timely shipments, and friendly service has earned us a reputation of trust with new and long-standing customers alike.

## QUALITY PRODUCTS & COMPETITIVE PRICING

We believe well-made products should also be accessible. Our strong supplier relationships allow us to provide our customers with competitive pricing on our vast assortment of high-quality lighting solutions. We offer a wide selection of indoor & outdoor lighting fixtures, ceiling fans, lamps, and lighting accessories at various price points, to ensure we have the perfect product for any need.

## OUR TEAM

Our knowledgeable, experienced, and tight-knit team has been the cornerstone in our continued success and growth throughout the years. Our team is always available to offer support and guidance for all your lighting needs.

## INDUSTRY KNOWLEDGE

Our dedicated team is passionate about lighting and keeping up with the latest trends, styles, and products for both residential and commercial markets.

# INDOOR HANGING LIGHT FIXTURES

The perfect lighting fixture adds warm ambience and endless style to your home. From elegant chandeliers to sophisticated pendants, Westinghouse offers a variety of hanging fixtures that blend seamlessly with any home décor.

## EXTENSION DOWN RODS

Brushed Nickel

White

For optimum performance, ceiling fan blades should be at least 7' from the floor but no higher than 8-9' in order to best cool a room. For ceilings 9' and higher, an extension down rod is recommended to bring the ceiling fan down to the proper height above the floor.
